

Checklist for Adult to Join Pack 566 1st year OPTIONAL:

8/16/25 ml

OVERVIEW:

Not all parents need to become registered leaders in the Pack, however, it is very helpful to the pack if parent do register. A registered leader may not have any leadership roles being there just for safety. Once your in Pack 566 for one year we ask that one parent from each family become a leader or pay a penalty (pay for others to be leader). Scouting America (BSA) Youth Protection Policy requires 2 registered leaders be present at every meeting and event. The Pack will reimburse the first year fees for the key leaders including the Den Leader, Cubmaster, etc.. We use 2nd year and beyond penalties to offsite costs for non leader registered parents. Therefore we ask parents to volunteer to pay the National fees which includes background check and insurance. You can omit the cost of the magazine (slightly different than cubs version). Get a free pack T-shirt.

As of 2022 any adult volunteering in the State of California must also take 2 hours of California State Training, get fingerprinted, and have a 2nd background check by the state. You can now share between youth organizations for \$8 certificate fee. This costs \$35 and oddly you have to do fingerprinting for each organization you volunteer for.

Primary Den Leaders: (I This year 2025-2026 we hope to have official assistants as well)

If your Den does not already have a primary Den Leader you may talk to Mr. L about it. The Pack does offer an Adult T-Shirt and reimbursement of the fee, a den leaders guide, a handbook, and a loan of a adult sized den neckerchief. Online training including Den Leader Training and Hazardous Weather course is required for those who volunteer to serve as Den Leader. The Den Leader's responsibilities include:

- plan and lead den meetings based on rank handbook
- enter advancement awards for all cubs in the den
- participate in the Pack Adult Committee.

Committee Members:

If you would like to serve on the Pack Adult Committee we require you to be a Registered leader, and take a 53 minute Committee Member training.

Scout Parent: (Scouter Reserve)

A scout parent needs to complete the adult application and pay the fee. This will qualify you to be the second parent for any meeting or step into a vacant leadership role in the future. You do not have to take any Scouting America (BSA) training except the Youth Protection you did for your child's joining requirement. However, you are may take any of the online free trainings offered.
